

# KPV Solar GmbH

Gerhard Rabensteiner, 26.6.2013

## The Cooperation of **KPV** and KIOTO

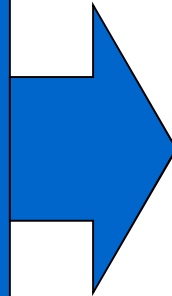

KIOTO Photovoltaics GmbH

**Austrians largest PV –  
Module Production**

Current capacity:

- Austria (120 MWp)
- Turkey ( 20 MWp)

KPV Solar GmbH  
Spin off of KIOTO PV

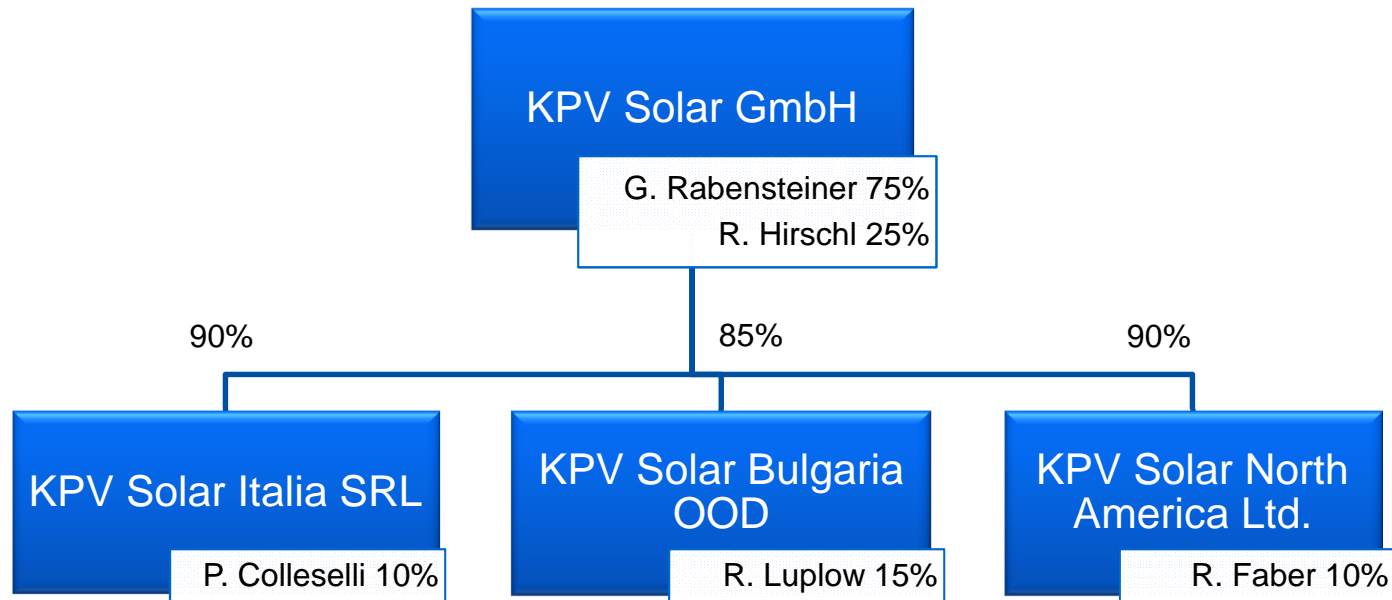

**KPV Solar GmbH**

**Austrians largest EPC with  
already 40 MWp projects  
realized**

Subsidiaries in

- Canada
- Bulgaria
- Italy

# KPVs Company structure

---

# Reference Projects planned & built by KPV Solar

We think PV.

---

---

# The World's Largest In-Roof PV Power Plant

We think PV.

2.7 MWp full Roof Integration in Italy

[www.mounting-systems.com](http://www.mounting-systems.com)

---

*Key Project Data - 2.7MWp In-Roof PV System*

- *11,200 PV Panels from KIOTO Photovoltaics (Austria)*
- *In-Roof Fixation from Mounting Systems (Germany)*
- *12 Farm Buildings*
- *140 String Inverters from SMA (Germany)*

Superior  
turnkey solutions.

# KPV Power Plants

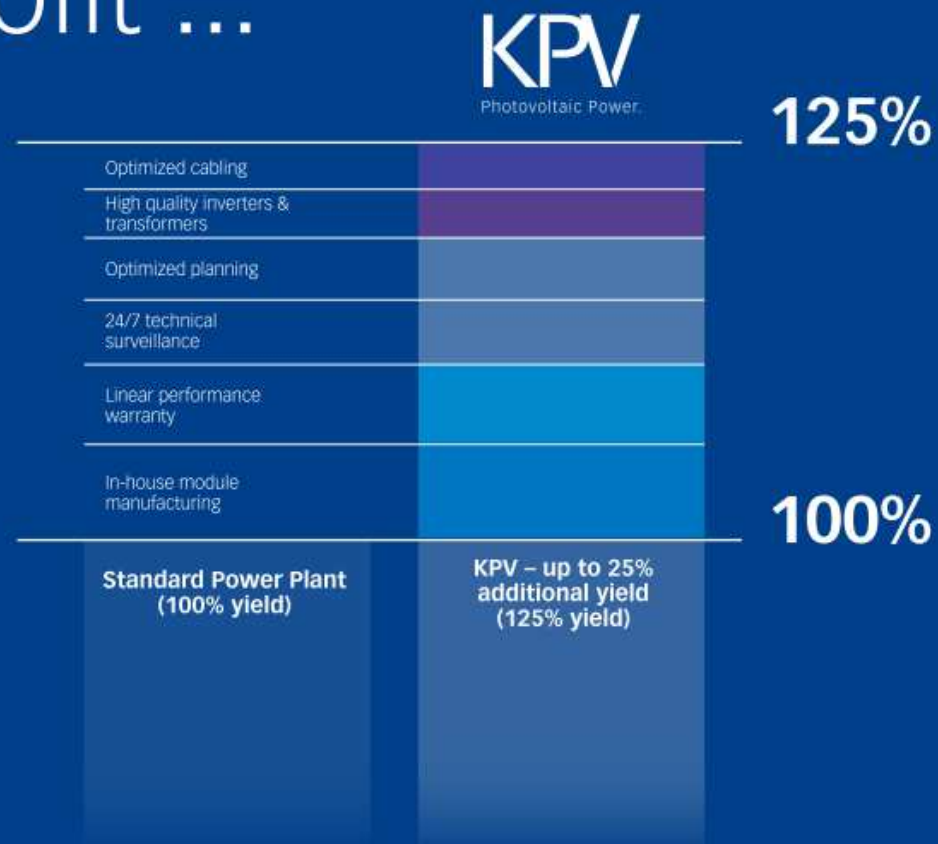

## Yield warranty of KPV

# We guarantee more profit ...

## More superior KPV projects

- ☐ Spain
- ☐ Italy
- ☐ Czech Rep.
- ☐ Slovenia
- ☐ Bulgaria

---

## KPV Power Plant, 1 MWp ground mount / Italy

---

## One-axis trackers in Spain, 2,1 MWp

## Carport 1 MWp in Slovenia

---

## Industry Roof-Top in Austria 50kWp

**KPV**  
Photovoltaic Power.

---

## Industry Roof-Top in Italy 1 Mwp

# Green Power with guaranteed Performance.
